

Battery Warning

This product contains a preinstalled CR2032 3V (LiMnO₂) coin battery.

KEEP OUT OF REACH OF CHILDREN. If you suspect any swallowing, immediately take your child to the emergency room; have the doctor call 800-498-8666 (the National Battery Ingestion Hotline). Inform them that the battery type swallowed was CR2032 coin cell Lithium/Manganese Dioxide battery.

Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate. Even used batteries may cause severe injury or death. Non-rechargeable batteries are not to be recharged. Do not force discharge, recharge, disassemble, heat above 200°F or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns. Ensure the batteries are installed correctly according to polarity (+ and -). Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries. Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations. Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.

⚠ WARNING	
<ul style="list-style-type: none">• INGESTION HAZARD: This product contains a button cell or coin battery.• DEATH or serious injury can occur if ingested.• A swallowed button cell or coin battery can cause Internal Chemical Burns in as little as 2 hours.• KEEP new and used batteries OUT OF REACH OF CHILDREN.• Seek immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.
